2024 Edition 1

30+ years' experience in bathroom distribution

We operate from a 85,000sq ft warehouse in Yorkshire with a team of 115 staff working 24 Hours a day to ensure your order is processed and delivered on time.

46 delivery vans working 24 hours a day

Over 90% of our orders are delivered on our own fleet of vehicles, with 46 delivery vans working 24 hours a day to deliver your orders as soon as possible.

Home and direct to site delivery available

Our Home Delivery or Direct to Site service means even if you are not a Frontline retailer you can still experience our impeccable service. From last-minute essentials, to helping you prepare for Monday morning – it's perfect for customers who want products delivered direct to site or in advance.

800 x 1400mm	£299	£99	P02099 FB45/00X

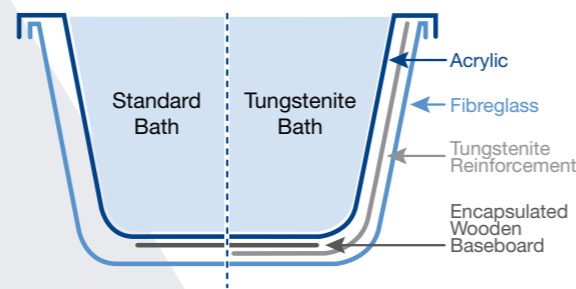

What is Tungstenite?

Tungstenite is a substantially strong, hard wearing coating that is applied to the reverse of the bath, making it as durable as a cast iron bath but with the warmer and easier to maintain finish of acrylic.

What are the benefits?

- Much stronger than acrylic.
- Retains heat for approximately 30 minutes longer than acrylic.
- Improved bath stability and rigidity.
- Increased durability resulting in a longer lifespan.

Look out for the Tungstenite logo

Compatible with Oral-B/Braun* electric toothbrushes, this in-wall electric toothbrush charger can be installed just like a shaver socket, keeping your charger handy in the bathroom at all times.

- No wires in the bathroom
- Easy to install
- Acts as toothbrush holder at the same time as charging your toothbrush

*excludes iO and Plusonic series except the iO6
